Dear Jelly Bean,

I listen to your program
everyday before I get ready for
school. My friends Butchie Selbmejer
and Duane Gentry are usually
listening at their houses too.
My little sister Connie is not quite
two but she likes the theme
song you play. I have a new
baby brother just three weeks
old.

My birthday is Sunday,
January 9th and I'll be seven
years old. I'm having a party
Sunday afternoon at 2 p.m. and
we invited 24 kids, so would
you please play a record story
or song about Cowboys or
Indians for my friends and
I on Saturday?

Thanks a lot,
