Dear Jellybean;

We listen to you every day, my Mommy and I, we just came to Alaska a month ago because my Daddy is stationed at Elmendorf Air Base. My Mommy listened so she will know what records to buy, she likes the Pussy Cat Parade the very best and I like all the funny stories about Bugs Bunny and all those other funny animals. Did you know they sell Shamrock Products at the Elmendorf PX everytime we go in there I run and look on the packages so I can remind my folks to get what Jellybean says. You are such a nice little boy we will come and see you one of these fine days. Oh yes I am 5 years old and my Mommy is "typerwriting" this to you but I will write my name.

Love

JAN
