Dear Jelly Bean,

Sorry you haven't been feeling well. But I wish you a quick recovery. Now.

March 14<sup>th</sup> is my birthday.

I will be 7 yrs. old. My name is Jerry Lee Allen. And I'd like to hear a Ray Rogers story, or whatever you think I'd like.

I think your daddie did a good job taking your place while you were ill. But no ~~at~~ one is good as you.

Your friend,
