On March 6 - I will celebrate my Golden Birthday - as I will be 6 years old then - I am hoping that you will play "The Happy Birthday Song" by Hopalong Cassidy. I am having a birthday party on the 6th & will have Alaska Dairy Ice-Cream - my mom got vanilla - a whole gallon of it - my brother - Gary - & I listen to you almost every day - We help our mom too - so we can say - that the stories & songs you play - are for us too -

Last week we had Pecan Rolls from the Palmer Bakery - first time we had them - We really went for them -

Had a lot of fun with the balloon you sent Gary some time ago -

Thank a lot
Douglas - Frederick -
