Dear Jelly Bean,

On Saturday, March 5th our sister Philippa will celebrate her second birthday. Since we, too, are regular listeners we wondered if you would play a song for her. Her favorite is "How Much Star the Doggie in the Window".

* My brother Thynn would like to come to visit at your house on Friday night, he knows you have Shamrock Maple Bars then and they are his

2. favorite too.

They certainly are glad to hear you advertising for Skittles because that store is our favorite shopping place every time we go to town.

They certainly do make fine milk shakes. My mommy likes to buy all her baby things there.

I hope you haven't forgotten me.

Your friend,
Kandy Pittner
