Dear "Jelly-bean".

There is a sweet little girl who listens to your program every day. Her name is Jeanne Burgess - she was born in Munich, Germany and will be 5 years old on Valentines Day.

She'll be listening on that day for a greeting from you.

Because of her - we are  
"sold" on the Palmer Baking  
Co., products.

You have a fine program for the little folks - old ones, too.

Sincerely

Grandmother
