Wear Jelly Bean

Thank you very much
for nice dedications to
me. I heard them

both. I was surprised
on Thanksgiving Day. I
like surprises. Don't you?

I know you are very
nice. I can hear you
real good here. Thank
you a lot for the balloon
too. My doggie and kitty
had Thanksgiving dinner
too. My cousin Jerry
listens to you too. We play
cowboys all the time. Jerry
is three years old. He just
came back from Seattle

Jerry and I sure like
you very very much
We hope you had a
nice holiday.

your friend
Linda
