Dear Jelly-Bean,

Today I heard your  
program for the first time.  
My friend, Autumn (Punky)  
Jackinsky, told me about your  
program. I like it very much.

I am five. I don't go to  
school yet, so my mother  
is writing this for me. I have  
a sister. She will be 3 in  
April. Her name is Stephanie  
(over)

Darlene. I have a brother, too.  
He will be ~~2~~ 2 in April. His  
name is Harry Duane; but we  
call him "Butch."

I got some pretty valentines  
today. The best one was from  
my Daddy.

I like the song you played  
today. "Kitty in the Basket." Will  
you play it again soon?

I am going to listen to your  
program all the time now, be-  
cause I like it very much.

Goodbye, and I will write  
to you again.

LEMAN (NOT Lemon) Sincerely,

KAREN DIANNE
