

April 20th

April 15, 1955

Dear Jellybean,

My name is Alan Holden and I will be three years old next Wednesday, April the twentieth. That is my Aunt Vi's birthday too.

I listen to you everyday. I told my mama to tell you that I like "Winnie the Pooh", and "The Hare and the Tortoise" (my mama told me that the hare is like a big rabbit and the tortoise is a turtle). Also I like the bird in the tuxedo and the striped horse. Also the Animal Zoo by Tex Ritter. My favorite song is "The Pussy Cat Parade".

I live on De Armoun road close to Butch McClellan and he is my friend. Everyday I listen to you and then I lie down and take my nap.

Goodby,

*Alan Holden*

 P.S. Alan dictated the above (mostly) but he likes all the stories so I couldn't write them all for him. The above are his favorites. I think you have a wonderful program, especially for pre-school children, and I do like your way of presenting it.

Sincerely,

*Mrs. Delbert Holden*
