Dear Jellie Bean;

Mama bought some Donald Duck bread. Daddy made some toast. I think it is the best toast I've ever eaten.

I listen to your program every day. I am writing this letter while I am listening to your program.

I am very sorry that you are sick. I hope you get well soon.

I am in the second grade and I am writing this letter by myself. Bye now I want to listen to Sgt Preston on your program.

Your friend
Pat Wright.
