Dear Jelly Beans.

Am sorry that you are sick and hope that you will be better soon, as I miss hearing you on the radio.

My Brother Mickey will be 4 yrs old on March 11. If possible please play "Tell Me A Story" or "Dennis The Menace" for him. I will be 6 yrs old on March 12, if you can, please play "The Horse With The Easter Bonnet" for me. My friend Melannie Brown, will be 9 yrs old, also on March 12 I think she would like to hear "Pete The Parakeet"

I never miss your program and I eat Shamrock Bread every day.
