Dear Jellybean,

We are so happy
you are back again.

Would you please
play a record for our
little friend, Michael Reid,
March 30? He will be
six years old, and we
think Mike would enjoy
"The Three Billy Goats" be-
cause Mike has some
goats. If you can't play
that one for Mike's
birthday we think he'd
like a cowboy or an
Indian story.

Mother is writing
this letter for us. Thank
you very much for
all the nice stories and
songs that you play
for us. Love,

KATHY AND DANNY
