Iliamna, Alaska

Nov. 23, 1954

Dear Jelly Beans,

We just heard that the lady who has the part locker pups is saving us a male.

The P. N. A. plane stops here, weather permitting, twice a week, Tuesday and Thursday.

We will gladly pay any expense she has in crating or transportation.

She can send it C. O. D.

The children are certainly excited and we thank you very much.

Sincerely

Mrs. Wesley E. Wright
