Our presents for you next year include:

MDConsult

Available to all healthcare providers outside Anchorage via user name and password; contact HSIS at any of the addresses or numbers listed above to obtain your username and password. Note: this resource is aimed at physicians--a medical specialty must be selected during the one-time registration process.

- ❖ Nearly 40 renowned medical Reference Books.
- ❖ Journal literature searches include full-text articles from over 50 clinical journals, the Clinics of North America, plus complete MEDLINE, AIDSLINE, HealthSTAR, and CANCERLIT citations --all from one search; updated weekly.
- ❖ Comprehensive prescribing information for 30,000 medications.
- ❖ Over 600 Clinical Practice Guidelines in full text.
- ❖ 200 Continuing Medical Education modules.
- ❖ Nearly 3,000 customizable Patient Education Handouts.
- ❖ Abstract and commentary from more than 30 Year Books.

STAT!Ref

Now available to healthcare providers at Alaska hospitals and clinics outside Anchorage. Access is available through IP ranges. If you are unable to reach this database <http://host.statref.com/UA/> please contact HSIS.

- ❖ Lets you cross-search more than 31 medical texts including Stedman's Medical Dictionary and popular texts from McGraw Hill, Mosby, Lippincott, and more.
- ❖ Medical and drug information designed exclusively for physicians.
- ❖ Quarterly updates for selected texts. Updates include new editions and updated drug references.

A table comparing the list of online textbooks from these two vendors is available at
