Processing information

This series was described by Arlene Schmuland in 2009.

Arrangement

These reports are arranged chronologically by date of issue, thereunder alphabetically by title of report.

Series description

This series consists of a variety of reports created from the results of a former student survey conducted in spring of 1984. The survey included questions on topics such as student satisfaction with facilities, instruction, fees, and demographic data on the students. Some of the individual reports are based on student majors.

Retention

As an official publication of the Anchorage Community College, this series will be retained permanently. The Archives will retain a single copy of this publication for each issue.
