Dear Jelly Bean -

Mother is writing
this letter for me
and the most important
thing I want to say
is, that I enjoy you

program so very much.
We will be leaving for
California soon and
my sisters and I will
miss our 11:05 date
every morning. ~~So~~ I
have three sisters,
Mary, Christina, and
Ellen and they too
listen as often as they
can.

I will be five
years old on Wednesday
March second and
if you can find time
to play Bambi, I know
the rest of the children
who listen will like
it too. If not a Gene

Antony or Lone Ranger
would would be
fine.

Thanks a lot
Judy Bear, I'll be
listening.
