Dear Jelly bean;

I am getting my Mammie

to write this as I can't write

yet. I live at Ft. Richardson

am 5 years old. I listen

to you every day and enjoy

you very much - I have been

sick so I love to listen to

your stories each day. I had polio

last year and then when I got

over that I contacted T.B. So I

have to stay in bed most of

the time. I am getting better.

I would like to hear "Peter

Pan" & lots of Love Ronson

records. I also like The

(2)

records that they sing songs
on.

Soon as I am able to go out
Mommie says she'll take me to
the Loe & Lassie shop and get me
some new clothes as I am getting
so fat from lying in bed so
much I have outgrown all my
other ones.

Please play "Peter Pan" when
you can and I also hope
Mommie get me Donald Duck
bread to eat. It tastes so
good with butter & jelly -

I will be listening every
day to your jellyhead & will
come & eat with you when I am
well - Best Wishes, Paul Konst, Jr.
