

Spokane  
April 9th

Dear Jellybean,

My little girl, Linda Ann Schandelmeier, (shan del myer), will be six years old on April 12. She does not know I am writing this, as I want to see how surprised and pleased she will be when she hears her name mentioned on the radio.

Linda has a brother, Johnny, three years old, and a sister, Jeanette, who will be seven next month. She likes all your songs and stories and never misses a program. She tells Jeanette all about your stories, as Jeanette goes to school on the morning shift.

Keep up the good work.

Sincerely,

Mrs. Schandelmeier
