Dear Jelly Bean:

Would you please play a story for my little boy either Saturday or Monday? His name is Howard Fancher. Monday is his birthday, but we're having his party Saturday so Daddy can be here, too! Will he live on Valentine Day.

He surely enjoys your program, so much so that he always gets mad when you go off the air! The all enjoy you. My little girl, Marcia, calls you Bean.
Thanks, so much.

Mrs. Clyde Fancher, Jr.
