Dear Jelly Bean:

My name is Sharma Kinsel, and I listen to you every day, I surely like you, and I enjoy your stories and songs very, very much.

I go to kindergarten so to be sure I hear you read my letter, would you read it and play a request for me on Saturday, Jan. 15? I'd surely love to know you got my letter.

I eat Shamrock Jelly Donuts, and really love them.

Love, from
