Dear Jelly Bean -

My name is Teddy

Bugby. My mother

doesn't know I'm writing

this, it's her birthday on

April 1st. She and Harry

listen to you everyday, and

like your program. I listen

to you when I have to

stay home. Harry is now

sick with a sore throat

Betty Betty

and big towels.

We sure are glad your
program is a hole hour
long on Saturday, and
all us kids listen!

Play anything you
think she'd like, she likes
Gene Autry the one about
a horse of course.

Thanks a lot

from

Teddy, Einstein,
Harry, Barbara and
Penny, Daddy,

Inkie Cat

Blondie Dog.
