Dear Jelly Bean,

We all listen to your
program every day and
like it the best of all
the children's programs.

My brother, Hynn, is
three years old and
my sister Philippa will
soon be two. I will
be five years old
on Friday, January
28th. Will you
play the story "The

Love Ranger finds Silver
for me. If my cold
is well next week I
may be down to visit
you one day.

Yours very truly,
Randy Wittmer.

P.S. ^{*}We certainly enjoy
hearing about your friends
and relations with such
interesting names.
