Dear Jellybean,

I live in Gardova Alaska.

I am nine years old and will
be ten this month on the
21. I am in the Fourth Grade.
I hurt my arm on our
couch and it hurts an awful
lot. I lay on the couch and
listen to you on the radio when
I am sick.

Carolyn Marie

P.S.

My Uncle Calls me Jellybean
too. So there are two Jellybeans.
