

(Palmer)

Tuesday,

Dear Jelly Bean,

David insisted
that I write to tell
you he made a snow
man this morning.

Nika (the dog) gave him
a bad time but he
finally finished.

You have three
listeners from our
family on school days,
Margret loves the music
she dances all the
time you play the
songs.

David just loves when
you surprise him and
mention his name. He'd
love to hear "Billy Goat
Gruff" again and he
gets the biggest bang
out of the Bubble gum
song, and "Roy Rogers.

We'll be down some
Saturday soon.

Sincerely
Viote Sherman.

P.S. We think your program
is too short.
