

Dear "Jelly Bean";

On December 16th I will be 4 years old. I listen to you program every day. My older brother, Lester listens with me. He will be 6 in January. I also have two little sisters and we have a big time every day.

We like all your stories but would you play a Bozo the Clown record for me some day.

~~*~~ I hope you have a nice Christmas and stay on the radio a long time.

Love

Ricky Stephens

P.S. Ricky lives out on the Palmer Highway about 21 miles from Anchorage.
